OFFICE MEMORANDUM

STATINTL TO : [REDACTED] SA/DDA 13 December 1954
FROM : OGC
STATINTL ! SUBJECT : Proposed [REDACTED] Effect of Federal Employees'
Group Life Insurance on Allotted Funds

1. Concur.
2. The subject matter is taken from present and forthcoming Civil Service Regulations.
3. The second sentence of second sentence of Paragraph a.(1) is a highly technical and practically improbable fact situation but serves as guidance for all basic fact situations. The Comptroller's Office hve determined that it was taken verbatim from a joint Civil Service - General Accounting Office notice. I found it rather troublesome prior to this assurance.
